

## Letter from the Editor

Naturally, this issue's *Pot Pourri* had a duty to devote lots of space to the Elections.

Holiday breaks take you to Center Parcs in Normandy, and we report about a major event in the Gironde and Charentes: the opening of the Frankton Route.

We are proud to have been one of the magazines to follow in the Cockleshell Heroes' footsteps in France, alongside Meridian Television.

We also decided to share with you our best kept secrets on Chambres d'hôtes, ever increasing in popularity.

I hope that Aquitaine and the Pays Basque will inspire many of you to venture deeper South and discover Gallant King Henry IV's province.

Finally, avoid driving on major French roads during the last week-ends in July-August, classified by the gendarmes as 'rouges'.

My summer tip: a refreshing drink to consume in moderation, bien sûr : pastis mixed with grenadine and plenty of water. Bonnes Vacances!

x Ed
